SUMMARY

Highly motivated Full-Stack Developer with expertise in Java, Spring Boot, Python,MERN stack, and Data Science fundamentals. Experienced in academic and project-based development, building REST APIs, managing databases, and delivering scalable applications. Strong problem-solving skills with growing interest in AI driven solutions.

PROFESSIONAL SKILLS

- Problem Solving
- Debugging Skill
- Team Collaboration
- Strong Communication
- AI Integration

TECHNICAL SKILLS

- Java, Python, C++, C#
- Spring Boot, React, Node.js, Express
- MySQL, PostgreSQL, MongoDB
- REST APIs, AWS, Git & GitHub

PROJECTS

College Result Management System — *GitHub*

Technologies: Python, Streamlit, NumPy, Pandas, Matplotlib

- Built an automated result system using Python, Streamlit, and data-handling libraries.
- Designed interactive dashboards to visualize subject-wise and student performance.
- Reduced manual data handling effort by 80% through automated workflows.

Password Manager — *GitHub*

Technologies: Python, Streamlit, AES-256, MongoDB

- Built a secure password management system using Python and Streamlit.
- Implemented AES-256 encryption, Two-Factor Authentication (2FA), and secure sessions.
- Added secure clipboard auto-clear and rate-limiting for enhanced protection.

AI Resume Analyzer and Job Finder — *GitHub*

Technologies: Python, NLP, Machine Learning, Flask/Streamlit

- Built a secure password management system using Python and Streamlit.
- Implemented AES-256 encryption, Two-Factor Authentication (2FA), and secure sessions.
- Added secure clipboard auto-clear and rate-limiting for enhanced protection.

EXPERIENCE

Academic Project Experience – Full-Stack Development

Implemented full-stack applications using Java, Spring Boot, and the MERN stack. Collaborated with team members to design and deliver scalable solutions.

Integrated AI/ML APIs to provide dynamic, data-driven features. Participated in code reviews and debugging sessions to ensure high-quality software.

EDUCATION

B.Sc Entire Computer Science (ECS)

Punyashlok Ahilyadevi Holkar Solapur University, Sangola College, Sangola

- Pursuing – Final Year (2025 – Present) | Current GPA/SGPA:9.83 (as of 2nd Year)

CERTIFICATES

- TCS iON Career Edge – Young Professional certificate in soft skills and workplace readiness.
- Google Cloud Skill Badges – Earned multiple cloud badges through Qwiklabs/Google Cloud Skills Boost
- Solving 100+ DSA problems on LeetCode, strengthening algorithmic and problem-solving skills.
- Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate
